In Memoriam

JOHN FITZGERALD KENNEDY

**35th President
of the United States**

*The freedom of men he fought
for, the dignity of men he stood
for, the future of men he prayed
for - these ideals he has left
with us to carry forward. With
his courage, let us take heart
and proceed to the task.*

REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER

FOR THE FISCAL YEAR ENDED DECEMBER 31, 1963

Winchester, New Hampshire
February 10, 1964

Board of Selectmen
Town of Winchester
Winchester, New Hampshire

Gentlemen:

We submit herewith our report of an audit and examination of the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1963.

SCOPE OF AUDIT

Included in our examination and audit were the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Library Treasurer, Trustees of Trust Funds and Municipal Court.

Summaries of all departments have been prepared and are on file with the Board of Selectmen and the Auditors.

AUDIT PROCEDURE

The Audit Procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures were verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Uncollected taxes were verified by mailing notices to **all** delinquent taxpayers, as indicated by the Tax Collector's records.

RECOMMENDATIONS

We feel that all abatements should be listed in the Town Report also that the number of companies doing business with the Highway Department should be reduced.

It is evident that effort is being made by the selectmen to act on some of the recommendations offered by previous auditors. It is felt that with better cooperation by department heads that next year will show even greater improvement.

CERTIFICATION OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Winchester, New Hampshire, for the fiscal year ended December 31, 1963, and have found them to be in good order except as noted. To the best of our knowledge and belief the financial statements and summaries reflect the true financial condition of the town for the period under review. We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

THERESA HORNER
KENDALL BAKER
FRANCIS FOSDICK

Auditors
Town of Winchester, New Hampshire

Sabin Oral Polio Vaccine	832
Triple Toxoid & Diphtheria-Tetanus	128
Smallpox Vaccinations	34
Clinics attended with patients	7
Workshops attended	1
Conferences with Doctors, Social Workers, etc.	49
Industries	8
Schools	9

Our Sabin Oral Polio Clinics have been very successful although there are still many families in our town who have had no immunization or are only immunized for one or two of the three types of polio.

Our Triple-Toxoid and Diphtheria-Tetanus Clinics are less successful. The number of children attending the two or three clinics as necessary for effective immunization is not satisfactory.

I appreciate very much the assistance given me by Winchester Organizations and the many individuals.

Respectfully submitted,

NELLIE M. BLICKER, R. N.

REPORT OF FOREST FIRE WARDEN

During the past year New Hampshire faced the greatest forest fire threat to its woodlands in more than sixty years. The continued drought brought home to our citizens, as never before, the potential threat of destructive fires to their beautiful and valuable forests, homes and livelihood. In true American tradition of meeting a common threat by volunteer effort, this fire danger was minimized by active prevention, patrol and a relinquishing of personal rights for the common good. It was the greatest demonstration of public cooperation ever experienced by those responsible for local and state fire control. The ready forces of volunteer fire services kept the losses low. For their effort and public response the general fire service expresses its heartfelt thanks for a job well done.

Prevention however, is not just an activity for the bad fire years. It must be practiced until it becomes a part of our public conscience — a habit. Just plain carelessness with fire causes too many of our fires.

The following practices and suggestions will help:

1. Always have a permit for outdoor burning and burn within the terms of the permit and in a safe place. Burn late in the afternoon when the wind is down or on rainy or damp days. Check your fire and if winds develop extinguish it promptly.
2. Carry your rubbish to the public dump — its safer. A neglected backyard incinerator causes many fires.
3. Never discard lighted cigarette or match. Make this a year round habit regardless of the safety of your surroundings.
4. Children caused fires are now a major concern. Keep matches away from them and teach them to respect fire and not make it a subject of play.

Lets all join with "Smokey the Bear" and "Keep New Hampshire Green" and growing in 1964.

LIBRARIAN'S REPORT

January 1 — December 31, 1963

Circulation Data —

Fiction	8,078
Non-Fiction	5,261
Juvenile	8,940
Magazines	1,237
<hr/>	
Total	23,516
Number of books added	648

Included in the above total are several new sets of encyclopedias — Harper's Encyclopedia of Science, Scribner's Dictionary of American History, and Adams' Album of American History. These are all for high school and adult use. For the elementary grades we have the Young People's Encyclopedia of Science and the Pictorial Encyclopedia of American History. We also have the new 2-vol. edition of the Lincoln Library and a 4-vol. Encyclopedia of Mental Health. Also a new atlas was purchased this year.

Approximately 1200 books for Elementary, Junior and High schools were borrowed from the Bookmobile. About 800 were borrowed for adult use. The Bookmobile arrives every 2 months and is a great asset to our readers.

The theme for National Library Week was the History of Winchester. Many pictures and items of interest were brought in for display. One highlight was a display of the pictures of the graduating class of 1884. Accompanying the pictures was the graduation program and the feather fan and kid gloves carried and worn by one of the class members. The pictures of the Class of 1913 were on display also. Carmencita Perry, Margaret Nash and I attended the National Library Week dinner in Concord on Wednesday. We had the honor of hearing Margery and Lorus Milne speak on their experiences in their study of nature. Their new book "The Valley" had just been published at the time. On Friday, films were shown to the elementary schools.

On May 8th and 9th, I attended the New Hampshire Library Association meeting at Wentworth-By-The-Sea.

On May 13th, the library sponsored Vance Kelly, International Farm Youth Delegate to Poland, at the V.F.W. Hall. Colored slides accompanied his talk after which questions were asked by the audience. The event was well attended.

In September, Carmencita Perry and Margaret Nash attended the New Hampshire Library Trustees Association annual meeting in Concord. The theme of the meeting was "The Public Library's responsibility to students." Also in September I attended the New England Library Association's annual meeting at Wentworth-By-the Sea. It was at this meeting that I ran for secretary of this organization and was defeated by 4 votes. I have since been appointed by the By-Laws Committee.

In October the New Hampshire Library Association sponsored area meetings in Durham, Littleton and Marlboro. The topic was "Literary Censorship." The Director of the Boston Public Library was the speaker for each of these meetings. Being chairman of the Membership Committee, I had a booth at each place and many new members were secured for the organization.

In November, Mrs. Perry attended a workshop on Reference Material at the State Library. We both attended a book banquet at the State Library Branch Office at Keene, in December.

This summer we sponsored films twice a week for the Day Camp at the Community Center. We have also purchased a Bell & Howell movie projector and large speaker. Films were shown at the Center and at Richmond Library during Christmas vacation.

We were very fortunate and proud to be the recipients of a check for \$2,000. It was given by a descendent of a former resident of Winchester. We have put this into a savings account for the time being. We have plans to use it to refurnish the adult reading room and to remodel the main foyer.

It has been, as you can see, a very eventful year. We want to thank each and everyone for their help and cooperation in the projects which we have tried to promote. Please feel free to drop in to browse and take home books for the family.

Respectfully submitted,

EDITH W. ATKINS

Librarian

ELLEN LAMBERT MURPHY

COMMUNITY CENTER

Winchester, New Hampshire

1963 REPORT

Director of Recreation

January 14, 1964

Since taking over as Recreational Director of the Community Center on June 1, 1963, I have accomplished the following:

1. Improved conditions at the Town Beach by grading and leveling the new fill, repairing, and painting the float. Local boys helped me.
2. Conducted a highly successful Day Camp program in which 3500 youngsters participated. The following subjects were included in said program:
 - a. Complete Archery program with instruction.
 - b. Sewing and Cooking Classes for the girls with instruction.
 - c. Playground Golf for all groups.
 - d. Nature Hikes.
 - e. Many sports including baseball, softball, volleyball, and croquet.
 - f. Movies were held at least once weekly and often twice.
 - g. A film strip was made of our summer program to show townsfolk.
 - h. Story telling for the younger groups at 11:00 a.m.
 - i. After Swimming Classes at Forest Lake, including instruction in all phases of swimming.
 - j. A Jamboree was held the last week of Day Camp. A King and Queen were chosen on competitive bases.
 - k. An Overnight Camp-Out was held at Camp Shir-Roy in Richmond, N. H. The King and Queen of Jamboree were crowned at the Council fire of the overnight Camp-out.

1963 was a highly successful season with only one injury.

3. Organized and coached a High School group of boys in Summer Baseball. Entered this group in the Keene Recreational League and weekly games were played.

4. Conductd supervisory activity in the Little League Home Games by officiating at each home game.
5. Entered the Girl's Softball Team in the Keene Recreational League. This they conducted themselves.
6. Started the Teenage Summer Dance every Friday night. These dances were more successful as the season progressed.
7. These Teenage dances were moved, later in the season, to Saturday nights. Approximately 80 to 90 youngsters attended each dance. Currently, we feature a Teenage Band every other Saturday night and our attendance is over 120 youngsters for these dances.
- . This year, we held a party on New Year's Eve featuring above Band and we had 130 attending.
9. Set up and conducted on Outdoor Basketball Court.
10. Coached, in conjunction with the High School, a Grammar School Socker Program which included four teams.
11. Organized two new Bowling Leagues; Wednesday Night Men's League and Thursday Night Woman's League.
12. Conducted Grammar School Bowling each Saturday afternoon at 1:00 p.m.
13. Organized both, a Winchester High School Boy's, and Girl's Team for Monday afternoons.
14. Organized a Hinsdale High School Bowling Team for Wednesday afternoons.
15. Organized and set up the Southern New Hampshire High School Candle Pin Bowling League. Five High Schools are entered into this League: Marlboro, Keene, Monadnock Regional, Hinsdale, and Winchester. We held a Christmas Holiday Meet, involving above schools, for boys and girls.
16. Set up our usual Skating Rink and have it in operation.
17. Coached the High School Junior Varsity Basketball Team.
18. In six months, I have trippled our Canteen income over the past years.
19. In the past six months, I have taken in \$812.00 on Teenage Dances over \$127.00 for the entire 1962. Bowling revenue increased also due to the new activities mentioned above.
20. I have helped direct the organization of a Senior Citizen's Group at our Center.
21. I have had the kitchen cleaned and repainted with help from local boys.
22. Have put in new floor and new urinal in the men's room and installed new walls where necessary.
23. Through an insurance claim, have had the hallway repaired.

24. Have refinished the Bowling Alleys and approaches.
25. Instrumental in bringing to attention of Trustees, the need for new floor in Center room of the house.
26. Repaired the Pool Table and put in operation. Set up and conduct Canteen for youngsters.
27. Help out with the Boy Scout Program whenever I can find time.
28. Currently, I am working in excess of 70 hours each week to step up and maintain a full recreation program.
29. I attend the regular monthly meetings of the New Hampshire Recreation Association.

In the past six months, I feel that I have done the very best for you people that I know how to do. I like living in Winchester and I enjoy my position with you. True, I have been putting in long hours but due to the fact that I like my work, the time is short. The pleasure, for the most part, has been mine. I hope, in the year to come, I will be able to do an even better job for all the people and children of Winchester.

Yours truly,

GEORGE K. BRUSO, Director

E.L.M. Community Center

Winchester, New Hampshire

ATTENTION FOREST LAND OWNERS

Land ownership is a privilege of exclusive use granted by the State for which the town collects an annual rent or land tax. Are you using your opportunity to grow timber which will return at least your annual costs and make it worthwhile holding the land?

The State and Town are doing their part by providing:

Roads to Market

Police and Fire Protection

Control of Destructive Pests

Forest Planting Stock

Forest Management Advice

Federal Agricultural Conservation

Program Payments

Instead of an annual tax on growing trees, a fee of 12% of the stumpage value is levied at the time of cutting. Your timber will keep industry supplied and help maintain both tax base and employment.

SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the fourteenth day of March, 1964, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.
10. To see if the district will authorize the expenditure of a sum not to exceed two thousand five hundred dollars (\$2,500.00) from the unexpended balance of the Thayer High School Building Account for the purchase of additional school equipment and athletic field improvements in accordance with the provisions of RSA 33:3-a.

Given under our hands at said Winchester this fourteenth day of February, 1964.

REPORT OF AN EXAMINATION AND AUDIT OF THE ACCOUNTS OF THE WINCHESTER SCHOOL DISTRICT

Winchester, New Hampshire
for the Fiscal Year Ended June 30, 1963

Winchester, New Hampshire
August 6, 1963

The School Board
Winchester School District
Winchester, New Hampshire

Gentlemen:

We are pleased to submit herewith our report of an examination and audit of the accounts and records of the Winchester School District, Winchester, New Hampshire, for the fiscal year ended June 30, 1963. Financial Statements included as part of our report are listed below.

SCOPE OF AUDIT

The examination and audit included the accounts and records of the School Board, the School District Treasurer, the School Lunch accounts, and the Thayer High School Activity Fund.

FINANCIAL STATEMENTS

1. Comparative Balance sheets as of June 30, 1962, and June 30, 1963, showing an increase of net debt in the amount of \$156,482.55.
2. Analysis of Change in the Financial Condition with the factors causing the changes indicated.
3. Comparative Statement of Appropriation and Expenditures showing a net unexpended balance of appropriations in the amount of \$3,182.05.
4. Statement of Estimated and Actual Revenues showing a net revenue deficit in the amount of \$563.82.
5. Budget Summary showing a net Budget surplus in the amount of \$2,618.23.

6. Summary of Receipts, Expenditures, and Proof of Treasurer's balance.
7. Summary of Thayer High School Building account.
8. Summary of Long Term Notes and Bonds Outstanding.
9. Summary of School Lunch accounts and Proof of Balance.
10. Summary of Thayer High School Activity Funds and Proof of balance.

RECOMMENDATIONS

1. Note and Bond Register. We recommend that the provisions of Chapter 33.12 of the New Hampshire Revised Statutes Annotated be carried out in order that a complete record of all note and bond transactions of the District would be maintained in one register.
2. Old Outstanding Checks. We recommend that two old outstanding checks, namely: #2613 from the 1959-60 accounts of the School District, and #1050 from the 1958-59 accounts of the Thayer High School Activity funds, be removed from the outstanding list prior to the end of the current fiscal year by transferring the amounts of these checks into income.

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Winchester School District, the School Lunch accounts, and the Thayer High School Activity funds, for the fiscal year ended June 30, 1963; and have found them to be in very good order, and to the best of our knowledge and belief the attached financial statements reflect the financial condition of the District for the period under review.

THANKS

We wish to extend our thanks and appreciation to the officials of the Winchester School District for their cooperation and assistance during the course of our audit.

Very truly yours,

ARNOLD B. CONWAY

ROBERT A. SCHAEUFUS

- V. As school nurse, I attended meetings of the New Hampshire School Nurse-Teachers Association in October and January. The Cheshire County Nurses met at Keene in January. The program was on Civilian Defense.

The Dental Clinic sponsored by the P. T. A. was very successful. There have been a series of three Saben Oral Vaccine Clinics at which the attendance would have been much better if the parents had taken the responsibility of their children attending.

I want to thank the local service clubs, namely: The American Legion, and the Legion Auxiliary, The Kiwanis Club for helping with clothing, eye glasses and at Christmas. The Keene Lions Club has also helped with providing glasses.

VI. Days on duty — 76

Total visits to the schools	308
Emergency calls to schools	3 on off duty days
Clinic days	3 on off duty days
Meetings attended	3 on off duty days

Respectfully submitted,

PRISCILLA S. GLOECKLER, R.N.

REPORT OF THE HIGH SCHOOL PRINCIPAL

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1963-1964 as of December 31, 1963:

Grade 12 — 20	Grade 8 — 48
Grade 11 — 46	Grade 7 — 42
Grade 10 — 36	Grade 6 — 37
Grade 9 — 41	Grade 5 — 33

Several changes were made in the faculty. Mr. Wayne Tucker, Keene Teachers College replaced Mrs. Gray Pearson in junior high social studies. Miss Judith Fassett, Keene Teachers College was elected to teach home economics, filling the vacancy left by Mrs. Dorothy Glazier who resigned. Mr. Antonio Santos, Boston University replaced Mr. John DeMaso in music. Mrs. Donna Levesque, Keene Teachers College is teaching high school mathematics, and Mrs. Edith Brandt, Keene Teachers College is teaching art.

Changes in teaching assignments were made in order to place teachers in their major fields of preparation. Mr. Pratt has been assigned to high school science, Mr. Gilman to junior high science, Mrs. Levesque to high school mathematics, Mrs. Dickinson to junior high mathematics, Mrs. Little to high school English. These changes along with our previous specializations have greatly strengthened our program.

Music in the first half of the 1963-64 school year has been offered to any student who has desired or shown an interest in taking lessons. General music in the seventh and eighth grades and classroom music in grades one to six have been taught at their respective schools at least once a week. At the high school level, music appreciation is offered any junior or senior. This year seventeen students have been studying music from Gregorian chants to contemporary jazz. The Junior Band acquired thirty-five beginning players during this period. Sectional rehearsals are held daily and the band meets as an organization every Friday. The High School Chorus consists of fifty-three members and the High School Band consists of forty members. The band has appeared on parade in Keene, Brattleboro and in Winchester with the Winchester Fire Department. It also marched in the Halloween Parade in Winchester. A combined band and chorus Christmas concert was given prior to the Christmas vacation at the Town Hall in Winchester.

The students under the supervision of Mr. Antonio Santos have been doing a very fine job and have shown great improvement in chorus and band. Several students auditioned for All-State band and chorus. We were notified that Maureen Loll made the All-State Orchestra, which is a high honor. The results of the auditions are not complete, as yet.

The addition has provided new rooms to house the fifth and sixth grades, which are taught by Mrs. George Piper, Mrs. Fred Ingham and Mr. Richard Boutwell.

The new shop provides opportunities for teaching wood working, sheet metal work, electronics and mechanical drawing. The home economics room has adequate space and equipment necessary for teaching a very effective program in home making.

The well planned and adequately equipped science laboratories are serving a long awaited need and are now being used to their fullest extent.

The new facilities have been a tremendous help and are greatly appreciated by both students and faculty. Eating in a roomy, well-lighted, clean dining hall affects the attitude of all concerned and the results are gratifying. This cafeteria also serves another purpose which is that of fulfilling our need for a small auditorium.

The new library consisting of over nine hundred books is a very functional part of the program at Thayer High School. It has, at the time of this writing, been open for 73 school days, and the circulation total is 2,259. In addition it is used extensively for reference work. Four tables and twenty-four chairs provide ample room for such work. With the aid of student assistants, the library is open during the entire day..

Mention should be made of a bronze wall plaque donated by her former pupils in memory of Vryling Wilder Buffum, and of a mural extending along the entire right wall of the library. It depicts the history of Winchester and was painted by Mr. Gilman of the faculty with the assistance of Bruce Kopczynski.

The shop program, operating with new equipment and additional space, offers the following courses.

Grade 7 — one half year of beginning drawing and one half year of beginning wood working.

Grade 8 — one half year each of metal work and electricity.

Grade 9 — a full year of drawing and planning

Grade 10 — a full year of wood working

Grade 11 — a full year of metal working
Grade 12 — a full year's electrical course

During 1963, the Guidance Department has been continually seeking new approaches to further expand its work with underachievers. Guidance recognizes that as each student makes use of all, rather than part of his ability, he becomes not only a better student academically, but in addition develops a better sense of his worth as an individual and in the knowledge of a job well done.

In order to promote this program, guidance, administration and faculty have actively participated in the effort. In addition to individual counseling of the underachiever, "small group therapy" sessions have been developed in which small groups of underachieving students at various grade levels are given the opportunity to meet together with the principal, guidance counselor and often a staff member in whose class some of the group member's marks have been low. Therefore the group has not only the opportunity to be counseled and encouraged to increase their efforts, but may also express their feelings on any difficulty encountered in the course.

A number of students have already commented on the group sessions as being helpful or as giving them the feeling that someone was interested. Scholastic gains have resulted.

To bolster the guidance program, the use of film strips on proper study habits, individual test interpretations, guidance talks to various classes, visits by college representatives, and continuous college counseling have been carried on throughout the year.

A program of diagnostic reading and mathematics achievement tests has been administered in grades five and six in order to provide a grouping which can more adequately serve the student's needs prior to junior high school.

Evidence of substantial gains made as a result of the over-all effort for increased guidance may be seen in the present trend of the Thayer High School drop out rate, a figure less than half that of the Quimby Report for 1958-1961.

The testing program for 1963 consisted of the following:

National Educational Development Test administered to 31 students — March, 1963

National Merit Tests administered to 2 students in March, 1963

The Sophomore Testing Program administered to 51 students in April, 1963

The General Aptitude Test Battery administered to 25 seniors in January, 1963

The Preliminary Scholastic Aptitude Test administered to 15 students in October, 1963

The Junior High School Eighth Grade Guidance Battery administered to 48 students in November, 1963

The Iowa Silent Reading Test and the Metropolitan Arithmetic Achievement Test administered to 70 students in grades 5 and 6 during December, 1963

The Kuder Preference Record administered to a total of 45 students during 1963

College Entrance Examination Boards arranged for 5 students during 1963

As a matter of record, a summary of the 1963 Commencement and a list of the graduates follow:

Essays

Diane Banis
Jeralyn Jones
Marie McLean

Dale Smith
Elaine McNamara
Beverly Adamski

Donna Baker was the recipient of the Josiephine Mansfield Sprague Music Award.

The honor students were Dale Smith, Elaine McNamara, Beverly Adamski and Diane Banis.

The class marshal was Jacqueline Burri.

The class roll is as follows:

Beverly E. Adamski
Donna E. Baker
Diane L. Banis
Dorothy M. Benoit
William F. Byrne
Gerald R. Croumie
Earl E. Doolittle
Mary A. Dubriski
Bruce R. Higley

Grover W. Jones
Jeralyn M. Jones
Charles E. Maynard
Marie A. McLean
Elaine McNamara
Lawrence E. Mesic
Ronald I. Monroe
Joyce A. Nelson
Betty J. Polaski

Charles L. Hodgman
Lewis A. Hodgman
Judith E. Jackson

Catherine Samsel
Dale H. Smith
Jack L. Stevens

Sylvia J. Willey

The record of cash on hand as of December 31, 1963 for the various units follows.

Class of '64	\$1,246.03
Class of '65	718.89
Class of '66	406.37
Class of '67	245.14
Class of '68	78.18
Class of '69	7.84
A. A.	27.68
Thayer Revue	648.22
Music Department	476.76
General Fund	356.04
Student Council	7.14

Respectfully submitted,

PAUL C. McNAMARA

Principal

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I hereby submit my third annual report.

STAFF CHANGES: The following members of last year's teaching staff are no longer with us:

Mr. John F. DeMaso, music teacher, accepted an overseas teaching assignment.

Mrs. Dorothy J. Glazier, who taught Home Economics, resigned. Mrs. Gertrude B. Pearson, English and Social Studies teacher, accepted a teaching position in the Keene school system.

Mrs. Gracia C. Toof, Center School teaching principal, retired after many years of faithful service.

The new teachers in Winchester this year are as follows:

Center School:

Mrs. Alice D. Trueman, B. Ed., Keene State College, with twenty-three years of teaching experience in New Hampshire schools, teaching grade four.

Although not new to the Winchester school system, Mrs. Beverly J. Duquette was designated teaching principal to replace Mrs. Toof.

Thayer High School:

Mr. Richard G. Boutwell, B. S., Boston University, taught in Anchorage, Alaska, and Westport, Connecticut, prior to coming to Winchester to teach grade six.

Miss Judith Fassett, B. Ed., Keene State College, elected to teach Home Economics.

Mrs. Donna L. Levesque, B. Ed., Keene State College, former Walpole, New Hampshire, teacher, teaching Mathematics.

Mr. Antonio Santos, B. M., Boston University, elected to teach and supervise Music Education.

Mr. Wayne M. Tucker, B. Ed., Keene State College, teaching English and Social Studies.

Mrs. Edith G. Brandt, B. Ed., Keene State College, former Hinsdale, New Hampshire, elementary teacher, elected to teach high school Art and supervise elementary school Art.

Also, not new to the system but performing in a different capacity, Mrs. Elsie Major divides her time by being the school librarian as well as teaching Social Studies.

ENROLLMENT TRENDS:

1965-66	61	49	42	50	42	47	40	36	367
1966-67	57	61	49	42	50	42	47	40	388
1967-68	67	57	61	49	42	50	42	47	415
1968-69	44	67	57	61	49	42	50	42	412

The statistics outlined above are based upon current information and, while they are indicative of possible trends, absolute conclusions should be based upon extreme caution. The figures do not reflect the mobility of the population nor do they attempt to predict the number who might repeat a grade or drop out. Instead, they are a projection of current enrollment and census figures.

In comparing the pupil enrollments with a year ago, we find a total net increase of eight pupils. Due to the elimination of the Community Center facility and the reassignment of pupils and grades, the enrollment at the Ashuelot School and the Center School decreased by ten and one respectively, while the enrollment at Thayer High School increased by sixtyseven. While the figures do not show a trend of increasing numbers in the elementary grades, they do indicate that Thayer High School may expect more pupils as a result of the larger grades currently in the elementary schools.

FACILITIES: As a result of the addition at Thayer High School, many former critical areas have been eliminated. Rental of the Community Center rooms has ended and some serious overcrowding of the Center School lunchroom facilities have eased. However, the Center School classrooms are accommodating practically the same number as a year ago.

New and added facilities for Science, Home Economics, Industrial Arts, Library, kitchen and cafeteria, as well as additional classrooms, toilet and storage areas at Thayer High School have made it possible to conduct a Comprehensive High School as prescribed under the New Hampshire High School Minimum Standards. Much credit should go to the Winchester School Board and the School Planning Committee, as well as the citizens of Winchester, for making this possible.

EDUCATIONAL PROGRAM: There have been improvements in the educational program. Supervised Art instruction has been added to the elementary curriculum. More effective group instruction in the first grade at the Center School is being realized as a result of the use of larger classroom areas and better classroom facilities. Ability grouping is being utilized in grade six at Thayer High School. Also, by utilizing Guidance services at Thayer High School, more effective grouping for the purpose of improving instruction may be expected in grades five and six.

On the secondary level, a course in Art has been added. The Industrial Arts program now includes exploratory courses in Metals, Electricity and Electronics, as well as Woodworking and Mechanical Drawing. Earth Science has also been added to the curriculum. Other courses have been reorganized so that a "two-track curriculum" is in

effect at Thayer High School, that is, a differentiation between those subjects required of those preparing for college and subjects required of the non-college student. In addition to the required subjects, a choice is offered in the area of Practical Arts and Fine Arts. The new school library with additional new volumes being added as rapidly as practical will satisfy a long felt need.

Calling attention to improvements in no way implies that the educational program is without areas of need. Living as we do in a day of constant change, I doubt whether this could be said of any program. We nevertheless should continually strive to evaluate our program and to search for better means of educating our youth. I would like to identify some of the situations which should receive future attention. We still have elementary combination or split grades where the teacher must divide her time among two grade levels instead of just one. Also, there are elementary grades where the pupil-teacher ratio is greater than the maximum effective number. Greater supervision and coordination of elementary instruction is needed as well as special education for the low and retarded learner. At the secondary level, all of our teachers have the maximum number of preparations allowable under the Minimum Standards. This often makes the hiring of new teachers difficult from the standpoint of work load and qualifications.

The answer to these problems is, on the surface, a political answer. But under the surface, in reality, it is an economic decision. It is simply, unglamorously, a matter of money. Money to be spent on education, on teachers and facilities and subject matter which will mean, it is hoped, better futures.

In conclusion, I again wish to express my appreciation to the principals, teachers, pupils and parents, the School Board, and the patrons of our schools for their understanding and cooperation.

ROGER L. SUNDSROM

Superintendent of Schools

January 16, 1964
